**Subject:** draft Compass note is ready for your review

Hopefully we'll get a link soon for the All Hands.

ORDers-

I hope you had a restful long weekend. If you were able to participate in the MLK Jr. Day of Service to honor the life and legacy of the Reverend Dr. Martin Luther King Jr., thank you.

Per the note from the Associate Deputy Administrator, all EPA facilities will remain in their current phase until the next review on Thursday, February 18, 2021. For more information, the EPA [Facility Status Dashboard](#) will continue to be updated every Thursday, and we encourage all employees to stay informed about the status of your local commuting area and keep checking for updates on the [COVID-19 intranet site](#).

Do you have ideas about how we could do things better in ORD? We are always collecting and working on Ideas Implemented (big and small!) as part of our ELMS effort. ORD employees can easily submit ideas implemented on the [Idea Implementation Input](#) page.

A reminder that DC folks will be off tomorrow for the Inauguration of our 46<sup>th</sup> President of the United States. I hope to "see" you all at our ORD All Hands on Thursday.

--Jennifer
